Secretary's Report:

The 2010 shoot schedule and budget (2010) were passed at the November 2009 meeting. Also, in order to fill the vacancy on the Executive Board, it was decided to go down the membership list (in alphabetical order) until such a person is/was found. Scott Beard declined, as he may not always be available. Next in line was/is John Castro.

Treasurer's Report:

Treasurer Gary Sumpter reported a \$3321.53 balance in the club account.

Field Captain's Report:

Steve Whitehurst reported the course layout needs to be established. He noted the Southwest corner of the course needs some reinforcement. Also, the areas around Targets #19 - #20 and #28 - #29 need some additional work. Hopefully, the framework (aka boat trailer donated by Sheryl Garfat) will be put to a good use. Perhaps it can be used as a bridge and/or reinforcement for such.

Several new targets and inserts have been purchased and will be in place for the start of the season.

Two work details will be held before the first shoot. See work detail sign-ups listed below.

New Business:

Dane Eggertsen made a motion to nominate John Castro to serve on the Executive Board. Rick Snyder seconded the motion. All were in favor. Motion carried.

The shoot and work detail sign-ups were made available at the meeting. See below for listings.

Steve Dunas and Gary Sumpter volunteered to manage the food and refreshments for the 2010 season. Such items may include but are not limited to soda, chili, hot dogs, buns, condiments, and chips.

Sheryl Garfat will have the 2010 shoot schedules printed and handle the mailing of the postcards.

Dane will follow-up with Larry Dale concerning the website and such updates.

John Castro will continue the media coverage. Gary Sumpter and John Castro's phone numbers will be listed for questions, comments, etc. to contact.

Monte Stuhmer will most likely chair the future meetings.
