**New Business:**

Kris Stich reported on the February 28, 2010 shoot. There were a lot of shooters and it was a nice day. There were about 57 regular bow hunters, with a total of 70 shooters in all. The course started to get a little muddy by the end of the day. Feedback from the shooters was good. The only comment for suggestions: Have cheese available for the burgers. Two free passes from American Sports were redeemed.

**New Memberships –**

Five (5) new prospective (primary) members and 1 additional family member were announced at this time. Two (2) renewal memberships were also announced. The new gas grill that the club purchased worked great at the February shoot. It will be stored in the shed when not in use.

It was suggested we add a scoring diagram to the scorecards. Our quantity is quite low to date. Monte Stuhmer made a motion to purchase 1000 scorecards. Don Gillmore seconded the motion. All were in favor. Motion carried.

Jared Williams's Dad wants to know if we would be interested in setting up a stand during Harvest Fest. And /or we could have a float in the parade. Harvest Fest is about 7 months away – so we can think about it and let him know. It was also suggested and discussed briefly that the Menard Archers Club could conduct some type of event during the Menard County fair. Bruce Waide would be the person to contact if interested in using the Trap shooting area.

March 3, 2010

John Castro recommended and made a motion for any club member to take the string trimmer for free or at the next shoot, advertise the trimmer as "free". Monte Stuhmer seconded the motion. All were in favor. Motion carried. Steve Whitehurst said he could dispose of the old gas grills, etc.
