Field Captain's Report:

- Steve Whitehurst reported: - More snow has fallen on the course – He has the new targets and inserts. Regarding target placement and course layout: will have to see how the weather is closer to the work dates which are set for February 20th and 26th.

John Castro questioned whether we should advertise if postponement of the first shoot is necessary. The club will proceed with current shoot and work detail dates as scheduled for February.

- Steve will set up the course and have the numbers laid out (February 20, 2011 at 8:00 am.) Rick Snyder will assist in this action.
- Several four-wheelers will be made available for the February work details (Steve W., Gary S., Steve D., John C., Rick S.)

New Business:

- Amy Beadle, Springfield, IL Convention & Visitor's Bureau contacted Gary (Menard Archer's) to see if the club would be interested in hosting an ASA shoot. John Castro said he believes the ASA actually runs the event. Discussion was held by the club – decision was made that we would not have enough manpower to effectively conduct/host such an event.
- New membership(s): Jerry Beverlin was unanimously voted into the Menard Archer's Club, as well as secondary memberships for his wife and son. Welcome Jerry and family.

Other Business:

Gary Sumpter asked whether the porta-potty should be made available (i.e. serviced) at this time or delay the start-up. Consensus indicated the club proceeds with service at this time.

Steve Dunas will provide a kerosene heater to use in the club house.

The long shot will have \$50 (seed money) in the start-up pot.
Fee to participate in the Dog Pound event will again be \$5.
