

Menard Archers Shoot Assignment Preference Sheet

As a condition of membership, an active member must work one full day at one of our public shoot events. Since it is important for our annual planning process, each member will be assigned to work a specific public shoot. (Note: Work requirements may be met by any individual within each primary member's immediate family.) Any active member who does not meet the work requirements for the preceding year must either be granted a waiver by the Executive Board, or apply for a \$200.00 "Non-Working" membership for the following calendar year.

Please rank your top four calendar preferences for 2007 Shoot Assignments.
