

2011 NON-RESIDENT SPRING WILD TURKEY PERMIT APPLICATION

APPLICATION DATES – Applications received prior to a deadline date will be processed with mail received on that deadline date. If your application is received after a deadline, you will be entered automatically into the next application period.

SECOND LOTTERY – Applications from non-residents and anyone that does not have a permit will be accepted through Jan. 11. Illinois residents will be given preference for permits allocated in the Second Lottery Drawing.

THIRD LOTTERY – Applications from anyone that does not have a permit or has one permit will be accepted through Feb. 9. Illinois residents will be given preference for permits allocated in the Third Lottery Drawing.

RANDOM DAILY DRAWINGS – Anyone that does not have a permit or has one or two permits may apply for the first random daily drawing from applications received prior to and including March 9. Random daily drawings will be held until three weeks prior to the season applied for. (All applications from one day are randomly processed before applications from the next day are processed.)

APPLICATION INFORMATION

- In-person and mail applications will receive equal treatment.
- Permits are not transferable and no refunds will be made unless your county, hunt area or season choices are not available.
- A permit is valid for only **ONE** season.
- The fee for each permit is \$125. You must enclose an individual check or money order with your application. **Do not send cash.**
- A permit allows the holder to hunt with either a shotgun or bow and arrow.
- Non-resident landowners who obtain a permit to hunt their own property (or a lottery permit) may apply for a second permit (\$125) in the February 9 third lottery, and a third permit (\$125) in the March 9 random daily drawing, subject to availability. Non-resident landowners who choose to apply in the lotteries/drawing (and receive a permit) CANNOT apply later for a "property only hunting" permit.
- It shall be unlawful to: Submit applications before the second lottery for more than one permit for the same person; submit applications before the third lottery for more than two permits for the same person; receive more than three permits for the spring turkey season. Violations of these provisions will result in all applications being rejected, or permits revoked, and fees forfeited.

APPLICATION INSTRUCTIONS

- You must use an official 2011 Department of Natural Resources Non-Resident Spring Wild Turkey Permit application form.
- Applicants submitting applications within three weeks of the season will not be guaranteed receipt of permit by start of season.
- Please call 217 782-7305 if you have any questions. Illinois DNR information is available to the hearing impaired by calling DNR's TTY: 217 782-9175.

- 1** You must check **ONE BOX ONLY** to indicate which application period you are applying for. If your application is received after the deadline, you will be entered automatically into the next application period.
- 2** **HUNT LOCATION & SEASON CHOICES.** There are ten rows of boxes to allow you to make up to ten choices of combined locations and seasons. When you are drawn during the lottery, if your first choice is not available, your second choice will be considered and so forth. Print the county/special hunt area in the boxes on the left and write in the appropriate season number (1, 2, 3, 4, or 5) in the box on the right. **You may enter up to ten DIFFERENT COUNTY or SPECIAL HUNT AREA choices** in any sequence. Hunters selecting Gallatin-Hardin must enter "Gallatin"; those selecting Marshall-Putnam must enter "Marshall"; and those selecting special hunt areas must enter the abbreviation provided on the list of counties/special hunt areas.

- 3** Your social security number or DNR Direct customer number.
- 4** Your name and complete address.
- 5** Your date of birth (month, day, year).
- 6** Child support certification/applicant's signature/phone number. The application must be signed by the individual whose name is on the application. Please give us a phone number where you may be reached weekdays.
- 7** **GROUP HUNT.** This section must be completed by those applicants who intend to hunt as a group. Up to **six** individuals may apply to hunt as a group. All individuals in the group **must** pre-select a group leader and each application for the group must have sections 1, 2, and 7 filled out **identically**, indicating the same county, same hunting season choices, and same group leader's name and date of birth. Since Illinois residents are given preference for permits allocated in the Second and Third Lottery Drawings, groups containing both resident and non-resident applicants will be treated as non-residents. (The group hunt procedure does not apply for random daily drawing permits.)

APPLICATION RETURN ADDRESS. Applications must be returned to the Springfield Permit Office, either via mail or in person. See address on other side.

- There are north and south turkey hunting zones WITH DIFFERENT SEASON DATES in each zone. Special Hunt area permits are not valid anywhere else in the county.
