

# Regulations for Hunting/Trapping Licenses and Stamps

- A resident license/stamp may be obtained by persons who have been a resident of Illinois 30 days prior to purchase (see Resident definition page 10).
- Federal stamps must be signed in ink across the face of the stamp. Lifetime License holders who are required to purchase state stamps must sign the stamps and have them in their possession while hunting.
- All hunting licenses and State stamps are effective Jan. 1 of the issuing year through March 31 of the following year. Every person holding a hunting or trapping license shall have it, including all appropriate stamps, in his/her possession for immediate presentation for inspection to any authorized law enforcement officer.
- This information is based on laws in effect as of April 1, 2012 and is subject to change.
