APPLICATION DATES

FIRST LOTTERY - Applications from Illinois residents will be accepted from the date upon which they become available through April 30.

SECOND LOTTERY - Applications from non-residents and anyone that does not have a permit will be accepted through June 30.

THIRD LOTTERY - Applications for the Third Lottery will be accepted through August 18. Anyone (regardless of other deer permits they may have) may apply for one or more permits in this lottery.

OVER THE COUNTER SALES - Any remaining permits will be available over-the-counter from license vendors beginning October 17 on a first come, first serve basis. Permits will be sold until quotas are exhausted, or until the close of the muzzleloader deer season, whichever occurs first. Individuals can purchase one or more permits during this period, subject to availability.

GROUP HUNT INFORMATION

Up to six individuals may apply to hunt as a group. All individuals in the group must pre-select a group leader and each application for the group MUST have IDENTICAL choices for the application period, hunt locations & seasons, and group leader information. Illinois residents are given preference for permits allocated in lotteries, therefore groups containing both resident and non-resident applicants will be treated as non-resident applications.

2017 RESIDENT MUZZLELOADER-ONLY DEER HUNTING PERMIT

YOU CANNOT USE THIS APPLICATION TO APPLY FOR A FIREARM PERMIT.

APPLICATION INFORMATION

- Applications will be rejected, fees forfeited and permits revoked if you receive or attempt to receive more than one either-sex and/or one bonus antlerless-only muzzleloader permit before June 30. You can apply in both the firearm and muzzleloader-only lotteries.
- Permits are not transferable and no refunds will be made unless your county, hunt area or season choices are not available.

SEASON DATES

December 8, 9, & 10 and the second firearm season (November 30, Dec 1, 2, & 3).

MUZZLELOADER

A muzzleloading firearm is defined as a firearm that is incapable of being loaded from the breech end.

The only legal muzzleloading hunting device to take or attempt to take a deer is a single or double barreled muzzleloading rifle of at least .45 caliber shooting a single projectile through a barrel of at least sixteen inches in length; must be percussion cap, wheellock, matchlock or flint type ignitions only, except the Connecticut Valley Arms (CVA) electronic ignition shall be legal to use; and only use black powder or a "black powder substitute" such as Pyrodex. Modern smokeless powders (nitrocellulose-based) are an approved black powder substitute only in muzzleloading firearms that are specifically designed for their use. A wad or sleeve is not considered a projectile or a part of the projectile. The minimum size of the muzzleloading firearm projectile shall be .44 caliber. Non-expanding, military-style full metal jacket bullets cannot be used to harvest white-tailed deer; only soft point or expanding bullets (including copper/copper alloy rounds designed for hunting) are legal ammunition.

All counties are open to firearm deer hunting except Cook, DuPage, Lake and that portion of Kane county east of State Route 47.

Special Hunt Areas - Special hunts held on federal or state lands are regulated by the agency which manages the property. Some of these areas are included in the lotteries (see list below). If you wish to apply for a permit to hunt one of these areas, enter the abbreviated name of the area on your application. Special Hunt Area permits are not valid anywhere else in the county. County permits are not valid for the Special Hunt Areas listed on this application. For more information regarding locations and requirements of special hunt areas only, call the Division of Wildlife at 217-782-6384.
