FIREARMS

- The only legal firearm hunting devices to take, or attempt to take a deer are: (a) a shotgun of not larger than 10 nor smaller than 20 gauge, not capable of firing more than 3 consecutive slugs; (b) a muzzleloading rifle of at least .45 cal. shooting a single projectile; (c) a centerfire revolver or centerfire single-shot handgun of .30 caliber or larger with a minimum barrel length of 4 inches.

SEASON DATES

- November 18, 19 & 20 (first season); December 1, 2, 3 & 4 (second season)

PREFERENCE SYSTEM

- In order to be eligible for preference, an applicant for the first firearm lottery must check the Second Season Option box on the application, indicating that he/she will accept a second season permit if there are no remaining full season permits. An applicant who then receives an either-sex second season permit **in the first lottery**, or who is rejected, is eligible for preference in that county the next year. This does not apply to special hunt areas and bonus antlerless-only permits.

Anyone can apply for a firearm deer permit from the Department Home Page: www.dnr.illinois.gov. The application contains edit checks to minimize potential application errors and issues a receipt. There is a nonrefundable handling fee for each transaction. Payment of fees is by credit card or electronic check.

OTHER HUNT AREAS

- There are other areas that have local drawings for permits from county permit holders. Hunters for these areas must first acquire a permit for the county where the area is located. For more information regarding locations and requirements of special hunt areas only, call the Division of Wildlife Resources at 217.782.6384.

APPLICATION DATES

FIRST LOTTERY - Applications from Illinois residents will be accepted from the date upon which they become available through April 29.

SECOND LOTTERY -Applicants not receiving any permits or not applying in the first lottery and non-residents may apply for an unfilled county quota permit (and a Bonus Antlerless-Only permit, if available) which will be allocated in a second lottery from applications received through August 15. Illinois residents will be given preference for permits allocated in the Second Lottery Drawing. A list of unfilled counties will be announced approximately July 14.

RANDOM DAILY DRAWINGS -Anyone may apply for any number of remaining permits issued from the first random daily drawing from applications received prior to and including September 13. Random daily drawings will be held up to October 3. A random daily drawing means all applications from one day are randomly processed before applications from the next day are randomly processed.

OVER THE COUNTER PERMIT SALES - Permits remaining after the Random Daily Drawings will be available over-the-counter from license vendors beginning October 18 on a first-come, first-served basis. Permits will be sold until quotas are exhausted, or until the close of the firearm deer season, whichever occurs first. Persons may purchase one or more permits during this period, subject to availability.

2

PERMIT TYPE(S) - You must check one box only.

The Department always issues all full-season permits first. When all full season permits have been issued, you will receive a refund UNLESS you check box 3 (second season option). If all second season permits have been issued, you will receive a refund.

If you check **Box A**, you will be processed for one Either-Sex permit.

If you check **Box B**, you will be processed for one Either-Sex permit and if successful, will then be processed in an additional drawing for one Bonus Antlerless-Only permit.

Box C, these Antlerless-Only permits are issued only in random daily drawings and are available regardless of whether applicants already possess an either-sex permit.

These counties **do not** have any Antlerless-Only permits available: Ford, Kankakee, Kendall and Pope.

11

Up to six individuals may apply to hunt as a group. All individuals in the group must preselect a group leader and each application for the group must have sections 1, 3, 4, 5 and 11 filled out identically, indicating the same lottery, second season option, county or special hunt area choice, and same group leader's name and date of birth. Since Illinois residents are given preference for permits allocated in the Second Lottery Drawing, groups containing both resident and non-resident applicants will be treated as non-residents.
